PRESS RELEASE – 5/18/20

Village of Lansing Alters Fox Pointe Schedule

The Village of Lansing is making changes to the original 2020 Fox Pointe event schedule due to current State of Illinois guidelines connected to the COVID-19 pandemic. The original opening date of June 3rd and all other event dates in June are postponed and rescheduled to later in 2020.

All scheduled events in July are currently on hold as the Village continues to monitor the progression of the State's "Restore Illinois" plan and how the various phases will affect any potential events at Fox Pointe in 2020. The Village remains optimistic that a portion of our events can still be held at some point later in the 2020 calendar year. The Village will continue to monitor all relevant health and safety information related to COVID-19 and make decisions on future Fox Pointe events on a month-by-month basis.

For the most up-to-date Fox Pointe scheduling information, please visit the Fox Pointe calendar of events by clicking [here](#).
